Dear Julie

Many many thanks for your contribution last Thursday. The viewing figures were excellent - the best of the series. There have also been lots of calls and I suspect a few letters to be passed on to you.

I have to say I thought the whole topic fascinating and it certainly provoked a great deal of discussion in the office.

I've no doubt we'll see you around YTV in the future.

A cheque for ten pounds for your petrol expenses will be sent to you shortly.

Yours with thanks
